AUKCM Measurement Registration Fee

The costs of operating the course measurement scheme (website, training, equipment & administration) have been met to date by UK Athletics. This will change for 2016 and beyond and these costs will be met by a measurement registration fee payable directly to AUKCM.

The one-time registration fee covers the appearance of the measurement on the website and the issue of all measurement certificates during the validity of the measurement (normally up to 10 years). It is quite separate from the current measurer's charges and expenses, which continue unchanged.

For all measurements carried out from 1 January 2016 the registration fee will be £6 for events promoted by UKA or ARC athletic clubs and £15 for all other events. Fees for events promoted by UKA or ARC clubs will be paid by England Athletics, Welsh Athletics or ARC as appropriate. All other promoters must pay the £15 fee direct to the AUKCM Treasurer as below.

Note that for measurements of multiple distances, e.g. Marathon and Half Marathon, a fee will be due for each distance to be certified. All distances may be included on one form.

Race directors should return the form below to the AUKCM Treasurer as early as possible, with the appropriate fee where applicable. Early return with payment will minimise the possibility of delay in issue of the certificate. *(The Declaration is required even where no payment is to be made.)*

Race Name(s), Date & distances:

Race Director, Telephone, Email:

Promoting Club or Organisation:

DECLARATION

1. The race(s) will have: **UKA Licence** ☐ **ARC Permit** ☐ (**X** one)
2. The Promoter is:
   (a) **UKA or ARC Registered Club** ☐ (No payment required)
   (b) **Other Promoter (including affiliated organisations)** ☐
   ☐ I enclose a cheque for £15 per distance, payable to **AUKCM**, or:
   ☐ I have made payment to AUKCM by Bank Transfer.
