

## Committee Annual Report

1. The principal aim of the Association is to establish and maintain a system for the accurate measurement and certification of road race courses in the UK.
2. The Association maintains two websites. The AUKCM website at <http://aukcm.org.uk/> is the administrative website for the Association. It gives general information about the Association and includes notices and minutes of meetings. It also includes a number of historical documents relating to course measurement.
3. The UK Course Measurement website at <http://coursemeasurement.org.uk/> is the main reference source for course measurement in the UK. It provides access for race directors, runners and course measurers to details of measurements, measurers and certificates. It also includes basic information on requirements for measurement, an online theory seminar for training potential measurers and general information about course measurement. The webmaster is Mike Sandford.
4. Use of the online administrative and certification system in England and Wales has continued to increase and the majority of requests for renewal certificates now come through the website. An additional form of certification has been introduced this year for courses including significant smooth off-road surfaces.
5. The annual liaison meeting between CMWP members and **runbritain** has been delayed this year, and will now take place on 11 December. Minutes will be available on the website in due course.
6. No training seminars for new measurers have been held this year, but individual measurers have been upgraded to Grade 1.
7. The CMWP has continued to support Wales in the absence of a permanent measurement secretary. Phil Holland has covered this position during the year.
8. The following served on the CMWP during the year:
  - Hugh Jones (Chairman)
  - Phil Holland (Secretary, acting ACMS Wales)
  - Mike Sandford (ACMS South, Webmaster)
  - Kym Wheeler (Treasurer, ACMS Midlands)
  - Brian Porter (ACMS North)
  - John Glover (ACMS N Ireland)
  - Alan Young (ACMS Scotland)
  - Paul Hodgson (IAAF measurer)
  - Invited Member (non-voting):
    - John Temperton (**runbritain**)
